

ENERGY STAR Qualified Appliance Product List Updates – December 2004

This document provides a list of appliances that were either added to the qualified product list in the previous month, deactivated from the qualified product list in the last month, or had their product specifications changed. Many models were deactivated in December due to the 2004 annual reports.

Deactivated products will remain on the qualified list in red for the next year. For any questions about this list, please contact Bill McNary (bmcnary@drintl.com) or James Siegel (jsiegel@drintl.com) at 301-588-9387.
